This text really struck me, especially i was surprised by the end of history I won't retell You the plot of the story.. Analysis The text I am going to comment on William Somerset Maugham He was a prominent writer, and he is the best known of his short stories.

My Analysis for who is Arnold Friend Since the beginning of time, stories have been told about the forces of good and evil.. Climax is at the end of the story, as 'done, -he said', it is the highest, the most dramatic point of the action.. The author lays particular stress on the fact that everyone must achieve good life.
